08:30

. Opening
. Keynote

1A

Room # 01
500 Participants

13:00

Cooperating to avoid, minimise and mitigate transboundary impacts.

1D

15:20

Cooperating for better data, information, and coordination of dam cascade: meeting multiple objectives

Facilitator

1A : Yongdeok Cho
1D : Benjamin Graff

Session Manager

Santi Baran

IT

Theerawat Saelao

Room # 15
40 Participants

China Holding room

Room # 14B
50 Participants

Foreign Media

Room # 14A
50 Participants

Lao Media

Room # 12A
30 Participants

VIP Holding Room

Main Entrance

Lunch Hall

CEO Meeting room

Exhibition Hall

1C Room # 4
200 Participants

13:00
Innovation in valuing water: sharing approaches for stronger cooperation

1F

15:20
Innovative decision support systems for integrated water resources development and how they support decision-making

Facilitator

1C : Sarah Ransom
1F : Sophearin Chea

Session Manager

Thanawat Wetchapan

IT

Bouyong Phounpaseuth

Side Event 2: The World Bank

15:20-17:00

What do we think about the context of cooperation in the Mekong basin and beyond?

Room # 101
100 Participants

Session Manager
Sopheak Meas

IT

Prasithisay Insiengmay

Side Event 1: ADPC

13:00-14:30

Building a resilient future: How climate projections can improve decision-making for resilient communities

Room # 102
30 Participants

Session Manager
Alounyadeth Sayavong

IT

Johannes Bach

1B

Room # 2
200 Participants

13:00

Innovative technologies for river monitoring, modelling, and forecasting (part 1)

Facilitator

1B : Sarann Ly
1E : Sarann Ly

Session Manager

Malinya Phetsikhiaw

IT

Sodsada Keouthai

1E

15:20

Innovative technologies for river monitoring, modelling and forecasting (part 2)

Facilitator

1G : Pinida Leelapanang
Kamphaengthong

Session Manager

Thaileng Thol

IT

Samedy Te

1G

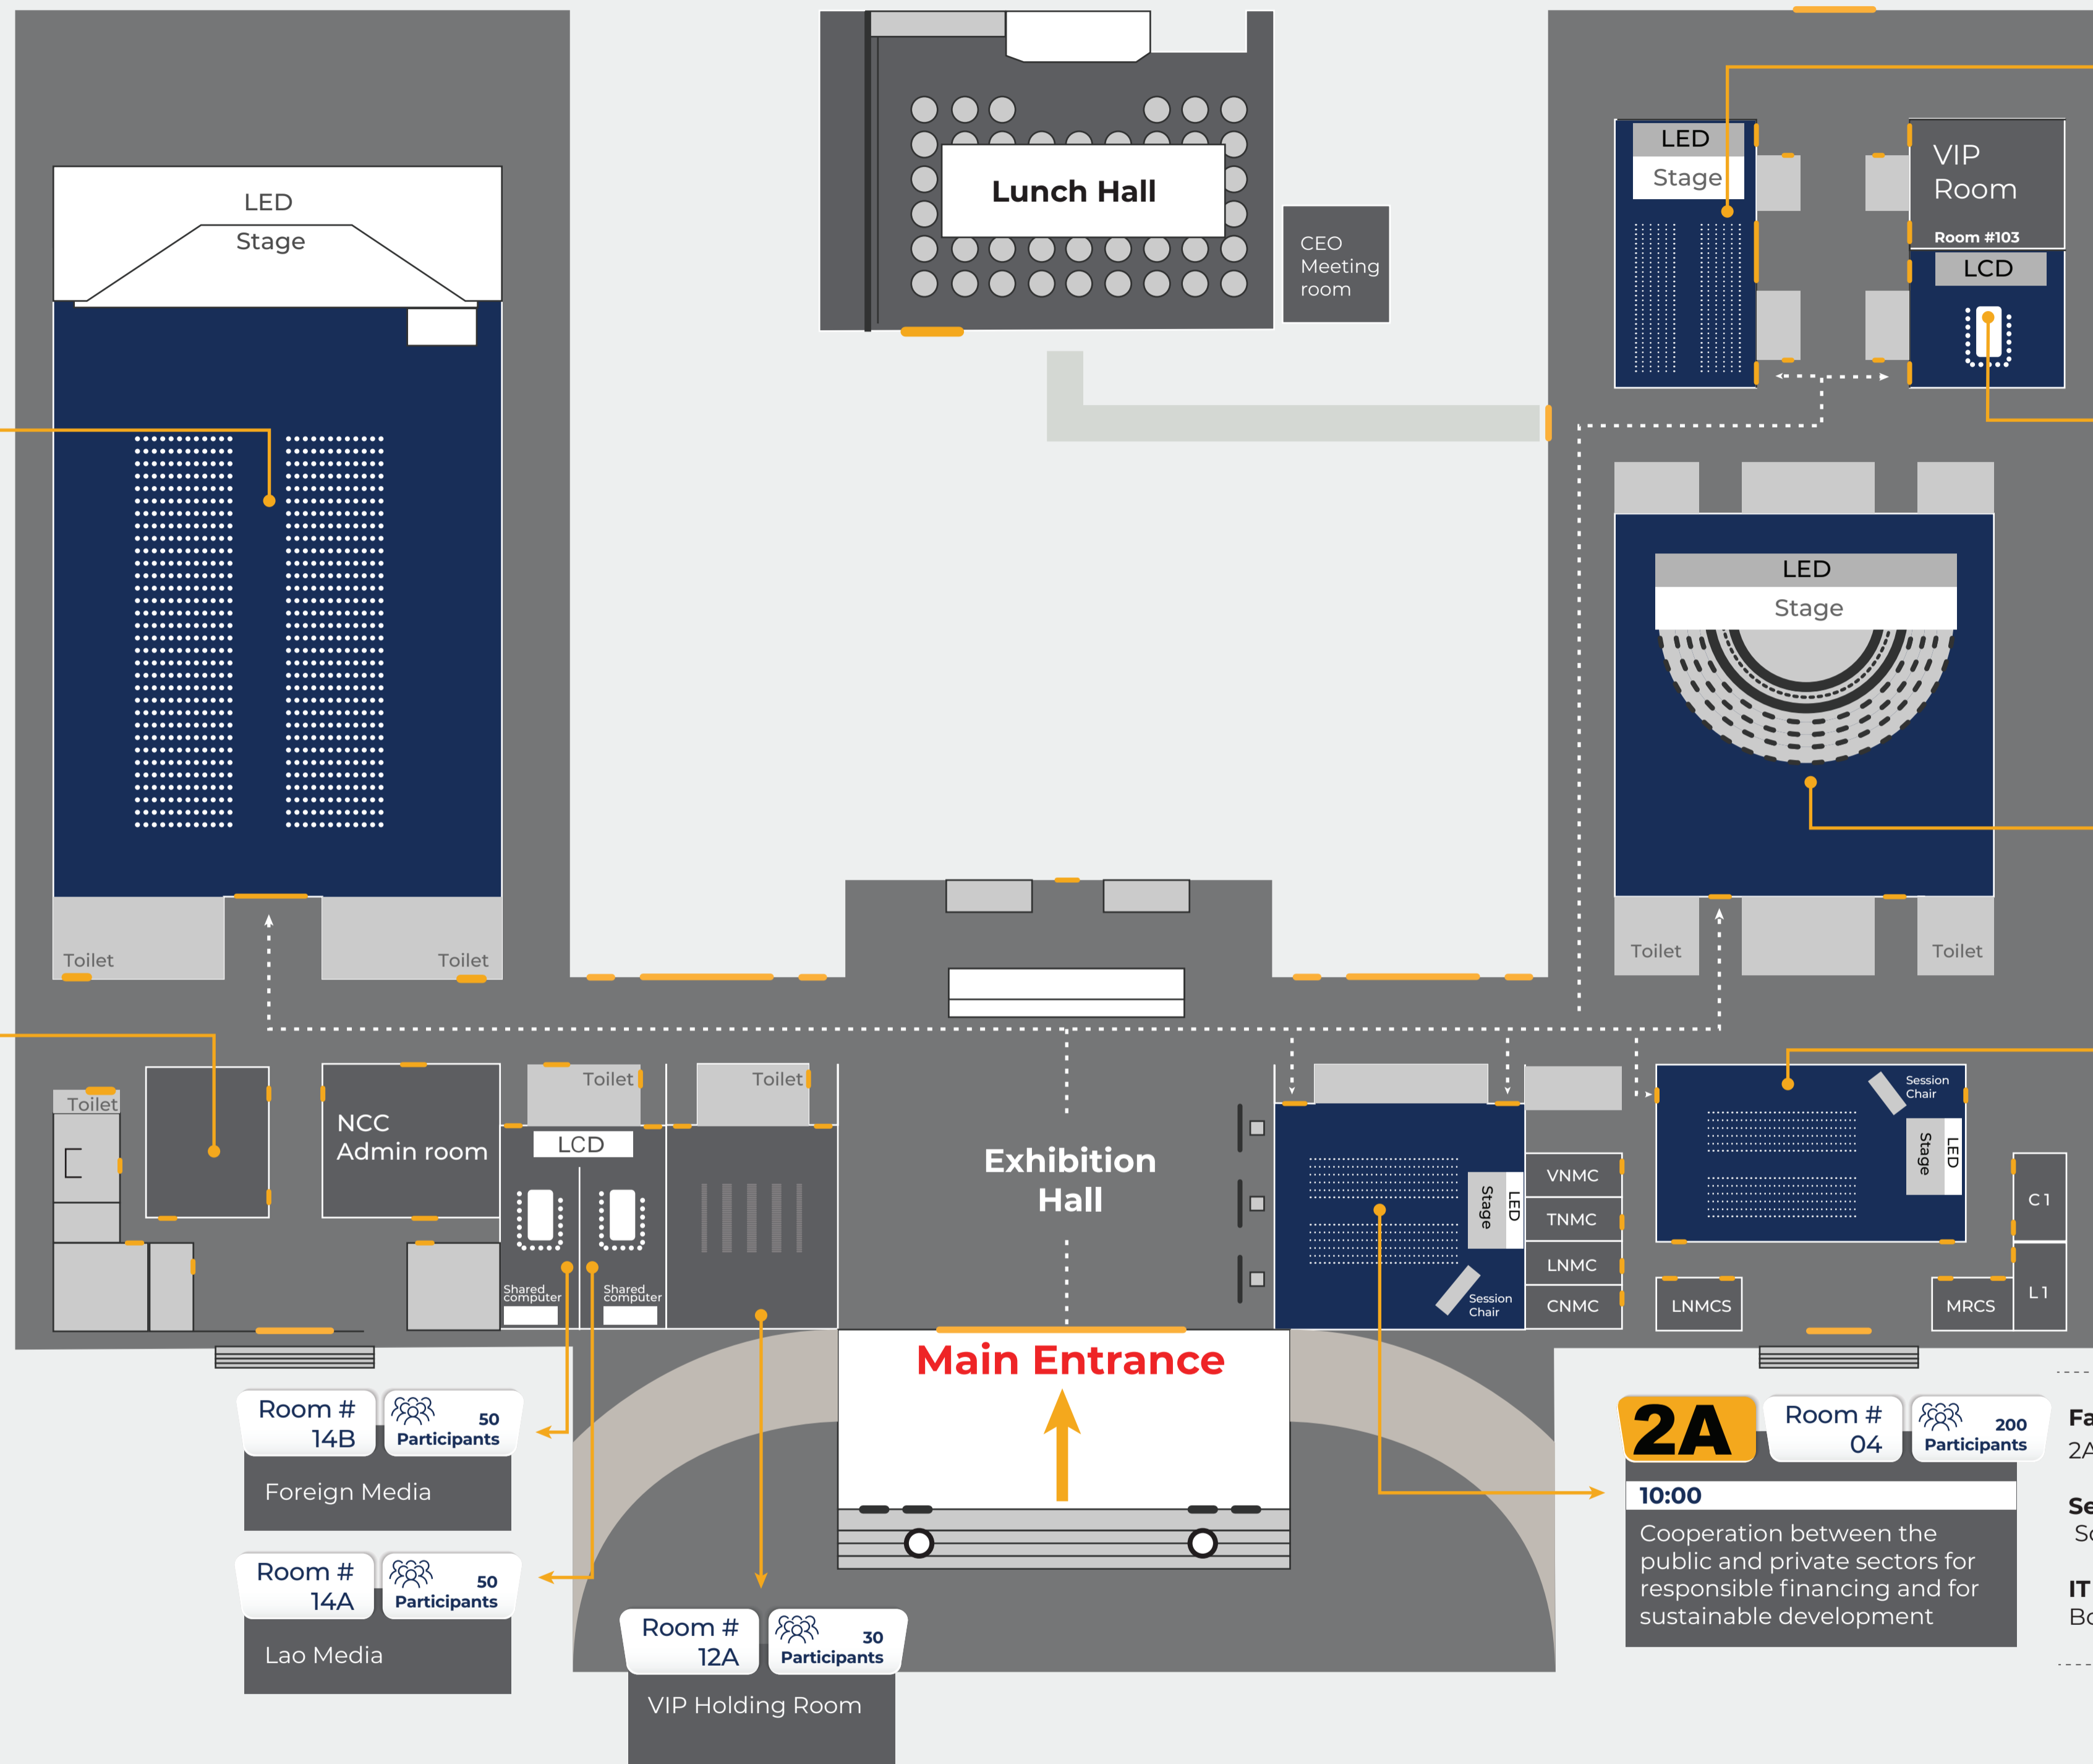

Room # 3
200 Participants

15:20

Innovative policy, approach and assesment for sustainable water governance

Day One: 2nd April

Plenary

08:30 Room # 01
